

If you're seeking a **Certified Nurse Assistant**, **Home Care Aide**, or **Caregiver** position and have a heart of compassion, Circle of Life Home Care is the premier company to work for. Providing care is considered a high calling at Circle of Life Home Care. We seek those individuals who see their work as a mission and not just a job. We offer an outstanding compensation package to those individuals who meet our rigorous standards to become a Circle of Life Home Care.

Circle of Life Home Care Employment

As a provider, you will have the benefit of working under the supervision of an in-house Professional, who ensures that your client's care plan is appropriate and optimal, supports you in caring for your client, and makes sure that you are a good match for that client.

We are always interested in hearing from dedicated providers seeking in-home care positions with Circle of Life Home Care. If you have care-giving experience or have always felt the need to help others, you should consider a career with Circle of Life Home Care.

Circle of Life Home Care has openings for provider jobs on an ongoing basis. We're constantly expanding into new markets. Currently, We cover the Akron, OH area and surrounding counties which includes Summit, Stark, Portage, Geauga, Wayne, and parts of Cuyahoga.
